

## Design Your own Prosthesis

# DESIGN THINKING

PARTNER A (Amputee) Activities list:		PARTNER B
I like to...	If I lost a hand, it would be hard to do this because...	A really cool bionic enhancement on my friends's prosthetic hand might be.... because...
<i>For example: I like to play the drums</i>	<i>You need fingers to hold the drumsticks</i>	<i>A prosthetic hand with a multiple drumstick attachments because then you could use more than 2 drumsticks</i>

# Design Your own Prosthesis

Sketch at least 3 ideas for bionic prosthetics below.  
Pretend that anything is possible, as long as it's kind, helpful & meets your friend's needs.

A large, empty rectangular area defined by a thick dashed black border, intended for sketching ideas for bionic prosthetics.
